

## Super Set Upgrades

Thank you for looking at purchasing one of our 'Super Accessory Sets'. We offer a range of additional upgrades to these sets, which make for a superior and personalised product. Please feel free to have a look at the options below, and contact us via email ([info@rockinghorse.co.uk](mailto:info@rockinghorse.co.uk)) if you would like to add anything on.

### Extra Wide Stirrup Straps

These extra wide stirrup straps suit large and extra large horses. They are stitched in 3 vertical columns, increase strength and are a stunning visual to a finished horse.

**Upgrade Price £50.00**

### Padded Noseband

Adding a padded noseband or browband to a bridle can add to a further luxury and authentic finish to the bridle – setting it apart from our usual deluxe bridles.

Usually made from a matching colour to the bridle, a different or contrasting colour can be used to make it stand out.

## Equitex Numnah

Elevate your equestrian style with our Luxe velvet saddle pad. Its iridescent velvet and contrasting cord make it a showstopper. Designed to fit both Traditional and Laminated horses sitting with riding saddles, it's the perfect blend of style and versatility.

The non slip design makes it even safer for riders. These saddle pads are used by riders across the world on real horses - and these miniature pads are made exclusively for us! Available in a range of colours and finishes. Due to size limitations, the screen printed Equitex logo is not included on the design but the metal disc is included in the corner of the pad.

Crafted with meticulous care in the heart of Northern Italy, Equitex Saddle Pads represent the pinnacle of equestrian innovation.
